

ಶ್ರೀ ವಿ. ಎಂ. ನಾಡಗೌಡ.—ಅದು ತಪ್ಪು ಭಾಷನೆ. ಅಂಥ ನಿರ್ದೇಶನಗಳಿದ್ದರೆ ಅವನ್ನು ಸರ್ಕಾರದ ನಡವಳಿಗೆ ತರಲಿ, ನಾವು ಉಗ್ರ ಕ್ರಮ ಕೈಗೊಳ್ಳುತ್ತೇವೆ.

SRI K. H. PATIL.—I raise a point of order. The question put is the number of co-operative banks and societies which have received aid from the Government and the answer given in respect of defaulting societies, as 775. This is not the reply wanted by the member. He wanted to know the defaulter society as on date. What was the difficulty in submitting a list of societies? May I presume that it is because they are those societies in which their favourites are there?

MR. DEPUTY SPEAKER.—There is no merit in the point of order.

SRI K. H. PATIL.—What is the policy of the Government in case the societies agreed to refund the loan or the share amount in view of the fact they do not want any interference by the Government on political reasons?

SRI P. M. NAD GOUDA.—If the hon'ble member puts a separate question I will answer.

ಶ್ರೀ ಮಹದೇವ್ ಜಿ. ಬಣಕಾರ್.—ಸ್ವಾಮಿ, ನನ್ನ ಪ್ರಶ್ನೆಗೆ ಸಮರ್ಪಕವಾದ ಉತ್ತರ ಬರಲಿಲ್ಲ. ಅದುದರಿಂದ ಯಾವ ಕೆಲಸವೂ ಇಲ್ಲದೆ, ಯಾವ ಉದ್ಯೋಗವೂ ಇಲ್ಲದೆ ಯಾವ ಆಸ್ತಿಯೂ ಇಲ್ಲದೆ ದುಡಿಮೆಯೂ ಇಲ್ಲದಿದ್ದರೆ ಒಂದು ಸೊಸೈಟಿಯನ್ನು ಮಾಡಿಕೊಂಡರೆ ಸಾಕು ಎಂಬುದಾಗಿ ಜನರು ಹೇಳುತ್ತಿದ್ದಾರೆ ಅದು ನಿಜವೇ?

A.—SRI VEERENDRA PATIL (Minister for Public Works).—

(a) Yes.

(b) Rehabilitation works are generally time consuming for some of the villages which have been recommended for shifting, no provision exists in the sanctioned project estimates and therefore they will have to be taken up after funds are provided for and necessary sanction obtained. Necessary action has been taken for shifting of the villages for which provision has been made in the estimates.

(c) Yes.

**Sri D. PARAMESWARAPPA.**—May I know specifically the names of villages in respect of which provision is made in the estimates?

† **Sri VEERENDRA PATIL.**—Out of these villages, the Government have taken a decision to shift some of them. Recently, the Government in their order dated 18th July 1967 have approved the shifting of Biragondanahalli. Subsequently another order has been issued approving the shifting of Malali village.

**Sri D. PARAMESWARAPPA.**—Is it a fact that the delay is due to the rates quoted in the estimates are not encouraging to the contractors?

**Sri VEERENDRA PATIL.**—I do not think that is the reason because the rates as worked out by the department does not matter much. Whenever we have to entrust the work, we invite tenders according to codal procedure and we accept tenders.

**Sri D. PARAMESWARAPPA.**—May I know whether any provision has been made in the estimates with regard to Hanumanahalli, Lingapura, Ujjanipura and Lakkanahalli?

**Sri VEERENDRA PATIL.**—So far as Hanumanahalli is concerned, formation of a lay out has been completed and construction of culverts and sinking of drinking water wells will be completed. Tenders are called for for Village Panchayat Hall, school and temple. Similarly, in the case of Ujjanipura, formation of lay out and sinking of tube wells is nearing completion. Tenders have been invited for the construction of Village Panchayat Hall, school and culverts. As regards Inoor, the formation of lay out and drinking water wells are completed. Tenders have been invited for the Village Panchayat Hall, school and culverts.
